

Community Booth Policy

The White Rock Farmers Market offers a limited number of complimentary Community Booth spaces to support **non-profit and not-for-profit organizations** that provide services, programs, or benefits to the community.

Eligibility

- Open only to registered **non-profit or not-for-profit organizations**
- Booths are for **community awareness and outreach only**, not commercial activity
- Businesses, for-profit entities, and vendors selling products or tickets are not permitted

Permitted Activities

Organizations may:

- Share information about their programs and services
- Promote community initiatives and opportunities
- Collect contact information (e.g., sign-ups, volunteers)
- Distribute informational materials - **(from your table/booth only. Not to hand, pass out pamphlets through walking crowds)**

Prohibited Activities

- **No political activity**, including campaigning, advocacy, or commentary on political issues, elected officials, or government
- No use of the booth for **criticism, protest, or negative commentary** about individuals, organizations, or public bodies
- No sales, ticket sales, or fundraising activities
- No unauthorized solicitation

Booth Representation

- Booths must be staffed **only by representatives of the approved organization**
- Representatives must be directly affiliated and knowledgeable about the organization
- Third parties or individuals not formally connected to the organization are not permitted to operate the booth

Conduct Expectations

- All representatives must be **professional, respectful, and courteous** in all interactions
- Engagement with the public must remain **positive, informative, and focused on the organization's services**
- Behaviour that is disruptive, confrontational, or inconsistent with a family-friendly environment will not be tolerated
- **Follow the Market protocol and guidelines sheet given to you at time of your approved application**

Enforcement

The White Rock Farmers Market reserves the right to:

- Require immediate correction of any non-compliant activity
- Remove individuals or organizations from the market at its discretion
- Revoke future participation privileges
